

High Point Medical Center Nursing

Atrium Health Wake Forest Baptist High Point Medical Center – a 351-licensed bed community hospital – takes pride in fostering a supportive, collaborative culture for both nurses and patients. We operate as a unified team, delivering patient- and family-centered care to the communities we serve. High Point Medical Center strikes the ideal balance between clinical expertise and heartfelt compassion, offering advanced care in an environment grounded in respect, empathy and encouragement. Our nursing team thrives through active engagement, shared governance, open idea exchange, and a strong sense of camaraderie.
