

# Atrium Health Behavioral Health

The Behavioral Health Service Line consists of two specialized facilities: Behavioral Health Charlotte and Behavioral Health Davidson, NC. These centers provide a total of 166 beds, along with a standalone emergency department and comprehensive outpatient services. Our mission is to deliver exceptional care to individuals facing mental health challenges while ensuring a safe, welcoming environment for both patients and teammates. We are dedicated to offering a high standard of care and support, making a positive impact on the lives of our patients. We also prioritize creating a supportive workplace culture for our dedicated teammates.
