

Atrium Health Central Market – Nursing

Atrium Health Central Market is a Magnet®-designated Level I Trauma Academic Medical Center comprising five care settings: Carolinas Medical Center, Mercy, Levine Children’s Hospital, Levine Cancer Institute–Morehead, and more than 25 provider-based ambulatory clinics. This nonprofit system spans two campuses and includes over 1,000 licensed beds. For more than 145 years, the organization has delivered highly specialized services—including organ transplantation, advanced cardiac care, and comprehensive sexual assault and human trafficking services—while remaining firmly committed to its mission to be the national leader in health, learning, and community.
