

# Atrium Health University City Nursing

## Who we are

Atrium Health University City (AHUC) is a 117-bed hospital serving northeast Charlotte, NC, offering a welcoming environment for patients, families, and teammates. We are known for our compassionate and respectful care, communication, and responsiveness across every setting we serve.

## What we offer

We provide a full range of services across University City, Huntersville, and Mt. Island including adult acute care, women's services, surgery, diagnostics, and emergency care.

*Exceptional care, delivered with a personal touch-every step of the way.*

### Awards and Recognitions

- Received *Newsweek Global Most Loved Workplaces Award* in 2023
